

THE FORMULA 1 KIOSK: ENGINEERED FOR TOTAL QUALITY

Step Into the 21st Century

The "Formula 1" is a stylish and fully functional multimedia terminal. Use as part of your AIM (Aggressive Internal Marketing) campaign to promote your business products and services to begin the educational process with your audience.

Features:

- ***Ease of Use*** - turns on when your business is open and off when you close
- ***Portable*** - only 45" tall and less than 75 pounds
- ***Style*** - makes a great attraction for tradeshow business meetings and waiting areas
- ***Adaptable*** - powder coatable to your exact colours with various wood or metal accents
